

MOOD TRACKS

Project Title:

MoodTracks

Project Description:

Introducing Mood Tracks: your go-to for mood tracking and personalized playlists. Effortlessly journal your daily moods and experiences, gaining insights into your emotional patterns. Our cutting-edge algorithms curate custom playlists to match your unique states, ensuring the perfect soundtrack for your journey. Say goodbye to generic playlists and hello to Mood Tracks: your personal mood journal and playlist companion.

Breakdown of Tasks/Roles:

Lauren: Spotify API

Gemma: (Jack) General Assistance, Branding

Billy - Debugging/Fixing/Finetuning

Nicole: Wireframes, Styling/UI

Mo: Daily Affirmations API

User Story:

As a user, I want to be able to use a journaling app that integrates music with my mood, allowing me to track and reflect on my emotions, while also receiving daily affirmations to boost my mood. I want to receive daily affirmations tailored to my mood and emotional state, so that I can start each day with positivity and encouragement.

Wireframing:
